Making History

A JOURNEY INTO THE PAST

EXPLORE ENDERBY'S RICH PAST WITH AN HISTORICAL WALKING TOUR. THIS SELF-GUIDED WALKING TOUR ULTIMATELY SHOWCASES ENDERBY'S HERITAGE HOMES, COMMERCIAL BUILDINGS AND CHURCHES. INTERPRETIVE MAPS ARE AVAILABLE AT THE MUSEUM AND AT THE VISITOR CENTRE.

We are very proud of our rich and diverse history.

So proud, in fact, that we are always looking for ways in which we can cherish, celebrate, and honour it. Immerse yourself in over a hundred years of history and stories by visiting the Enderby & District Museum, which welcomes visitors year round. Tour the 1930s homestead and time warp yourself into a bygone era amidst historic collections of tools, household items, machinery and imagery. Experience what those days were really like by grinding wheat, making rope, or taking in a silent movie. There are also several items available for purchase, perfect for those who wish to take a piece of history home with them!

Splatsin Heritage

Local history has its beginnings with the Splatsin First Nation,

which has occupied its traditional territory in the Shuswap for generations. The band protects and enhances its history and culture with community events, powwows, naming ceremonies and other events. The Splatsin community supports a daycare, school, and health centre while the ballpark, powwow ring, and band hall are focal points for cultural and recreational activities. An RV park, gas station, and art gallery owned and operated by the Splatsin First Nation are all aspects of the band's economic development.

www.splatsin.ca

THE SPLATSIN ARE THE MOST SOUTHERN TRIBE OF THE SHUSWAP NATION, THE LARGEST INTERIOR SALISH SPEAKING FIRST NATION IN CANADA WHOSE ABORIGINAL TERRITORY STRETCHES FROM THE BC/ALBERTA BORDER NEAR THE YELLOWHEAD PASS TO THE PLATEAU WEST OF THE FRASER RIVER, SOUTHEAST TO THE ARROW LAKES AND TO THE UPPER REACHES OF THE COLUMBIA RIVER.

Deep Creek Tool Museum

Get a big thrill with a visit to the Deep Creek Tool Museum. Take a guided tour of the extensive collection of old tools and household items that exemplify an era when tools played a very important role in people's lives. Also see the world's largest reel lawnmower developed and fabricated by curator Herb Higginbottom.

Trails & Treks

Scenic vistas, endless discovery,
fresh air, mind, body & soul
rejuvenation...

Enderby Cliffs

The iconic Enderby Cliffs not only signify that you are, in fact, in Enderby, they also offer breathtaking panoramic rewards to those who trek to the top of them. Now a Class A provincial park covering 2,246 hectares, the Cliffs boast a hiking-only trail, leading hikers through lush wilderness, volcanic rock and fossil sites. Once on top, watch for soaring birds playing on the updrafts created by the steep rock face!

Don't forget to bring good footwear and plenty of water.

Hike the Cliffs!

Access: Parking and trail access at the end of Brash-Allen Rd.

Open: April - October

Time: 1.5 - 3 hrs up and 1.5 - 3 hrs down

Heritage Riverwalk

The Jim Watt Heritage Riverwalk follows the Shuswap River through the heart of Enderby. Take this easy walk by the water and read the signs with local history, sit at one of the many benches to see different songbirds and wildlife, or enjoy lunch at a picnic table on the riverbank.

Other Notable Treks

Lush landscapes, remarkable views, and wildlife sightings are the norm while hiking the many trails at Hunters Range, Larch Hills, Mabel Lake, Gardom Lake, Hidden Lake, Kingfisher Trails or Mt. Mara Lookout.

Pedal Treks

Mountain bikers will delight in the many trails at Mabel Lake and Larch Hills, complete with scenic views and large forested areas to explore. For the road warriors, the Back Enderby tour offers a relatively flat terrain with spectacular views along a stretch of road that can be completed in 1-2 hours.

You'll find a diverse range of natural habitats in Enderby, making it home to many animal and plant species. As a travel corridor for wildlife, you are sure to sight wildlife in the North Okanagan including several sensitive grassland and wetland species, some not found elsewhere in Canada. Keep your eyes open for mule and white-tail deer, beavers, otters, marmots and bears. You may even spot a coyote, moose or cougar. You will delight in the sheer array of songbirds found along waterways, in the subalpine meadows and forest. Look for osprey along hydro lines and eagle nests in trees along the river. You can spot the colours of cow vetch, goatsbeard, common chicory, foxglove, ox-eye daisy, clover, wild strawberry and heather and enjoy the palette of greens in the forest of cedar, pine, spruce, birch, aspen, cottonwood and more.

Kingfisher Interpretive Centre

Living Classroom.

The Kingfisher Interpretive Centre is a great place to explore riverside trails and learn about salmon, fishing, the river, and local biodiversity.

The award-winning facility, located east of Enderby on 10 acres next to the Shuswap River, serves as a salmon hatchery and a 'living classroom.' Hundreds of school children and others visit the centre each year to learn about the importance of salmon, watershed protection and restoration, take part in activities and events, release salmon fry into the river, and explore the forest on marked trails. You can take a tour of the hatchery with a volunteer to learn how things work and go inside a traditional First Nations' dwelling called a kekuli.

The centre also hosts an egg take each Thanksgiving weekend to cull salmon eggs and milt for next year's fry, a summer solstice fry release, and other periodic special events such as a learn-to-fish day.

Natural Beauty.

One of the more distinct features of Enderby & District is the beloved Shuswap River, flowing west from Mabel Lake to Mara Lake. In the early days, the river was a primary source for the transportation of goods. The infamous river drives occurred on the Shuswap River from the late 1800s to 1967. Logs were run down the river from Sugar Lake to the sawmill and pole yards in Enderby.

Today, the river is a recreational paradise for those seeking pristine nature or amazing adventure. Canoeing, kayaking, tubing, rafting, fishing and swimming opportunities can all be found in abundance along the Shuswap River. For nature lovers, this area is home to countless bird species including blue herons, eagles, hawks, cranes, swans, chickadees, grosbeaks, goldfinches, pine siskens, stellar's jays, belted kingfishers, woodpeckers, owls, sparrows, Canada geese, hummingbirds, pheasants, quails, turkey vultures, kestrels, flickers and more! Keep those eyes open and cameras ready because you never know when an opportunity to see wildlife will present itself!

Tubing

Tubing is popular, with a variety of times and floating experiences available depending on the time of year, type of watercraft used, and location of the trip. Life jackets are required.

Skookumchuk Rapids

The Skookumchuck Rapids offer many rolling rapids and swift currents suitable for experienced white water kayakers and rafters.

River of Importance

The Shuswap River

The Shuswap River is of tremendous ecological and cultural importance to the area and its meandering waters act as the lifeline for our spring, chinook, kokanee and sockeye salmon who continue to return to the Shuswap from July to October. Treating the river with the respect it deserves is of the utmost importance to our community and we ask that anybody enjoying the river adopts this philosophy. Please pack out what you pack in!

River Ambassadors

River Ambassadors are present during the summer months to provide information on interacting with the river in a safe and responsible manner. This innovative program encourages river safety and environmental stewardship to river users. They offer a wealth of information for those seeking it while enjoying the recreational bounty the river has to offer.

Freshwater Fun!

Numerous smaller lakes in the area provide ample recreation opportunities.

For a quiet day of bird watching, fishing or swimming, make a trip to Gardom Lake. The lake has a motor limit to ensure quietude and a large population of painted turtles. A regional park, a boat launch, two year-round camps, and rental cabins are all available.

Scenic Hidden Lake is perfect for a camping weekend of swimming, hiking, fishing and canoeing with the family.

Pitch a tent and enjoy a quiet fishing weekend with a small boat or canoe at the remote Baird Lake located past Hidden Lake or at Noreen, Holiday or Stony Lake, a trio of marshy lakes in the hills above the northwest corner of Mabel Lake. Good fishing and bird watching are available at Elbow, Grassy and Dale Lakes located off Cooke Creek Road; Kidney Lake located off Kingfisher-Three Valley Gap Road; and Rosemond Lake, which is only accessible by canoe or rowboat from the railway trestle at the south end of Mara Lake.

Mara Lake

Azure water and white sandy beaches surround this beautiful lake. The shores of Mara Lake feature a provincial park, boat launch, private campgrounds and resort developments. The area is ideal for summer recreation including waterskiing, boating, camping and swimming. The nearby rural community of Mara has several amenities including a store, hall, park and bed & breakfasts.

Mabel Lake

A vista of deep blue water surrounded by green mountains greets visitors to Mabel Lake. Enjoy swimming, boating, waterskiing, canoeing, kayaking, hiking and fishing at this lake east of Enderby that stretches 26 km in length and 2 km in width. Lakeside amenities include a public beach, a golf course, a resort, a boat launch, a children's camp, and a store and marina. Campers can also enjoy the lake with a visit to Cottonwood Beach or Noisy Creek campgrounds.

Fishing is a year round activity in and around Enderby!

Spring, chinook, kokanee and sockeye salmon swim from late summer to early fall as they make their way back to their spawning grounds on the Shuswap River east of Enderby. Cooke Creek campground on Mabel Lake Road is the ideal casting spot during salmon season. Fishing for rainbow trout and whitefish is done year round in the river and throughout many of the surrounding lakes. Gardom Lake and Hidden Lake are both fantastic spots for ice fishing in the winter. Fishing licenses are required and can be purchased at several convenient locations in the area. Check the fishing guide for freshwater regulations prior to tossing in your line.

Winters in Enderby are welcomed with open arms.

When the snow falls and the ice forms, we grab our preferred winter gear and enjoy every second of it! Cross-country skiing and snowshoeing are popular activities along our many area trails. There are over 41 kilometres of track-set trails and over 98 kilometres of adjacent non-track-set trails at Larch Hills north-

west of Enderby. This winter wonderland also includes a variety of marked snowshoe trails, a heated chalet, and lots of Larch Hills Nordic Society members ready to point out the best trails. Explore the snow-covered beauty of rural Enderby with a day of snowshoeing at the Kingfisher Interpretive Centre.

SURE, SNOWMOBILING, CROSS-COUNTRY SKIING AND SNOWSHOEING ARE SOME OF THE KEY HIGHLIGHTS OF THE ENDERBY AREA. BUT OUR SNOW TIME FUN DOESN'T END THERE!

Grab your thermos and your buddies and head up to Gardom Lake or Hidden Lake for a truly authentic winter experience ice fishing. Or lace up your skates and enjoy a family skate at the Enderby Arena or at the outdoor rink at Pu-

tula Park in Mara. Participate in or watch curling at the local curling club or follow minor hockey action from the lounge overlooking the arena next door. Go down-hill skiing or snowboarding at one of the incredible ski hills located near Enderby.

Hunters Range

For the very best in mountain recreation, look no further than the many trails meandering through Hunters Range. Explore alpine meadows and enjoy magnificent vistas in this mountain paradise covering approximately 200 square kilometres. Hiking, biking, quad riding, horseback riding and snowmobiling can all be found in abundance in Hunters Range.

Snowmobiling

Carve it up this winter on the rolling hills of Hunters Range where snowmobilers of all abilities will find spectacular riding terrain. Go steep and deep on challenging hills and bowls, while enjoying some of the driest powder you can find! The Hunters Range Snowmobile Association maintains over 90 kilometres of groomed trails and several chalets where sledders can warm up for the next run. The 300 member group hosts several events throughout the season including the Poker Rally in January and a ladies' ride in March. The group monitors access points to Hunters Range and charges a fee to non-members.

THE ENDERBY AREA.

Belvidere Park

is a great place to enjoy the natural beauty of Enderby, eat a picnic lunch, and walk along the river. A viewing platform lets you watch for birds and other wildlife. Located in the heart of downtown, the park acts as a venue for free concerts and community events. Public washrooms are located in the Visitor Centre at the park.

Barnes Park

is ideal for families. Large areas of flat grass are perfect for a game of soccer or Frisbee while the outdoor heated pool, playground, skateboard park, and basketball court give the kids lots to do. There is also a covered picnic area and a gazebo with interesting local artifacts from the Enderby Museum.

Riverside Park

provides ball diamonds, a large gazebo, washrooms, and playground plus easy access to a boat launch, swimming and the Riverwalk. The adjacent Riverside RV Park offers treed sites, showers, summer kitchen, barbecue pit and washrooms.

Mara Provincial Park

has activities for the whole family. Located on Mara Lake, the park has a boat launch, large swimming area, washrooms, and plenty of space for picnics.

Grindrod Park

is located along a slow-moving section of the Shuswap River, making it perfect for swimming. Picnic tables, a playground, and ball diamonds add to its appeal for families and ball tournaments. A walking path under the bridge gives easy access to amenities in Grindrod.

Tuey Park/ Waterwheel Park

is also popular with families. This riverside park has a large, white sandy beach, shallow water with sandbars, and great views of the Enderby Cliffs.

Endless Recreation

BOOK IT!

ENDERBY HAS MANY RECREATION AMENITIES AVAILABLE FOR PUBLIC AND PRIVATE USE.

Cool off on a hot day with a dip in the Enderby Lions Pool. This outdoor heated pool, open from mid-May to the end of August, is available for rental. The playground, skateboard park (and basketball court) at Barnes Park is a great place for the kids.

Book the baseball diamonds at Riverside Park for a tournament or organize a pick-up game at Putula Park, Kingfisher Hall, or Riverside Hall.

The Enderby Drill Hall serves as a venue for many events and is available for private rentals. Please contact the Museum for details.

Watch or participate in winter sports at the Enderby Arena or Enderby & District Curling Club. The arena is available for larger events in the off-season while the curling club lounge is ideal for smaller private functions.

Host a wedding, family reunion, ball tournament, or other event at the Lions Gazebo in Riverside Park. The 120 x 50 foot gazebo has a kitchen, playground, and washroom facilities and an adjacent RV park and campground.

Local Vineyards

The climate of the North Okanagan/Shuswap region supports a number of wineries.

Baccata Ridge Winery opened in Grindrod in 1997 with owner Sheldon Moore organically growing a number of varieties including Ortega, Siegerrebe, and Zweigelt plus Vidal grapes for icewine.

Other places in the area to sample local wine include Edge of the Earth

Vineyards in Spallumcheen, Echoing Green Vineyard & Winery in Sicamous, Granite Creek Estate Winery and Recline Ridge Vineyard & Winery in Tappen, Ovino Winery in Salmon Arm, and Celista Estate Winery in Celista.

Farm Life

Agriculture is a big part of the Enderby area and much of the local economy is derived from its many forms. There are farmers of dairy and beef cattle, sheep, chickens, pigs, goats, bison, alpacas, llamas and emus. The weather supports a wide array of fruits and vegetables including plums, apples, strawberries, cherries, potatoes, tomatoes, corn, peas and much more.

Visit a farmers' market in Enderby, Kingfisher, or Grindrod and find local honey, eggs, produce, chocolate, meat and more. Or step into an agricultural experience at community events like the Garlic Festival in Grindrod, the Plowing Match in Spallumcheen, and the Interior Provincial Exhibition in Armstrong.
