Summer Pool Programs

Bronze Star (recommended 11+ years)

The Lifesaving Society's first step in lifeguard training. It is recommended for those between the ages of 11 and 13, and is designed to deliver high performance training for skilled pre-teens. Candidates learn CPR, land spinal recovery, solo and partner rescues, searches and other skills.

Monday, Wednesday, Thursday, and Friday (9:30am to 12:30pm)

June 30 and July 2 to 4

COST: \$87.75 / 4 sessions

Bronze Medallion (Pre Req. 13+ years or Bronze Star)

Bronze Medallion teaches an understanding of the lifesaving principles embodied in the four components for water rescue education – Judgment, Knowledge, Skill and Fitness. Participants will learn to recognize and respond as a lifesaver to a variety of aquatic emergencies. This is a prerequisite for LSS Bronze Cross.

Tuesday to Friday (3:00-6pm)

July 9 to 11 & July 15 to 17

COST: \$138.50 / 7 sessions (includes manual & exam)

Bronze Cross (Pre Req. Bronze Medallion)

The third step in lifeguard training. Bronze Cross teaches the difference between lifesaving and lifeguarding, the principles of emergency procedures, and teamwork. This is a pre-requisite for all Life Saving Advance courses.

Course worth 2 credits towards grade 11

Tuesday to Thursday

August 5 to 7 (9:30am to 1pm)

August 12 to 14 (3:30 to 6pm)

The Shuswap River

The Shuswap River is of tremendous ecological and cultural importance to the area and its meandering waters act as the lifeline for Spring, Chinook, Kokanee and Sockeye Salmon who continue to return to the Shuswap from July to October. Treating the river with the respect it deserves is of the utmost importance to our community.

Visit the Enderby & District Visitors Centre for more information on the Shuswap River. 702 Railway Street.

Drop us a Line

Spring, Chinook, Kokanee, and Sockeye Salmon swim from late summer to early fall as they make their way back to their spawning grounds on the Shuswap River east of Enderby. Cooke Creek campground on Mabel Lake Road is the ideal casting spot during salmon season. Fishing for Rainbow Trout and Whitefish is done year round in the river and throughout many of the surrounding lakes. Gardom Lake and Hidden Lake are both fantastic spots for ice fishing in the winter. Fishing licenses are required and can be purchased at several convenient locations in the area. Check the fishing guide for freshwater regulations prior to tossing your line.

Visit the Enderby & District Visitors Centre for more information on fishing. 702 Railway Street.

Freshwater Fun!

For a quiet day of bird watching, fishing, or swimming, make a trip to Gardom Lake. The lake has a motor limit to ensure quietude and a large population of painted turtles.

Scenic Hidden Lake is perfect for a camping weekend of swimming, hiking, fishing, and canoeing with the family.

Pitch a tent and enjoy a quiet fishing weekend with a small boat or canoe at the remote Baird Lake located past Hidden Lake or at Noreen, Holiday, or Stony Lake, a trio of marshy lakes in the hills above the northwest corner of Mabel Lake. Good Fishing and bird watching are available at Elbow, Grassy, and Dale Lakes located off Cooke Creek Road; Kidney Lake located off Kingfisher-Three Valley Gap Road; and Rosemond Lake, which is only accessible by canoe or rowboat from railway trestle at the south end of Mara Lake.

Azure water a white sandy beaches surround this beautiful lake. The shores of Mara Lake feature a provincial park, boat launch, private campgrounds and resort developments. The area is ideal for summer recreation including waterskiing, boating, camping, and swimming.

A vista of deep blue water surrounded by green mountains greets visitors to Mabel Lake. Enjoy swimming, boating, waterskiing, canoeing, kayaking, hiking, and fishing at this lake east of Enderby. The lake stretches 26km in length and 2km in width.

Enderby Cliffs

The iconic Enderby Cliffs not only signify that you are in Enderby, they also offer breathtaking panoramic rewards to those who trek to the top of them. A Class A provincial park covering 2,246 hectares, the Cliffs boast a hiking only trail, leading hikers through lush wilderness, volcanic rock and fossil sites. Once on top, watch for soaring birds playing on the updrafts created by the steep rock face! Don't forget to bring good footwear and plenty of water!

Open: April-October

Time: 1.5-2 hours

Difficulty: Strenuous with steep sections

Kingfisher Interpretive Centre

The Kingfisher Interpretive Centre is a great place to explore riverside trails and learn about salmon, fishing, the river and local biodiversity. The award-winning facility, located east of Enderby on ten acres next to the Shuswap River, serves as a salmon hatchery and living classroom. The centre also hosts an egg take each Thanksgiving weekend to cull salmon eggs and milt for next year's fry, an annual fundraising barbecue, a summer solstice fry release, among other special events!
