WINTERS IN ENDERBY...

...ARE WELCOMED WITH OPENED ARMS

LARCH HILLS

When the snow falls and the ice forms, we grab our preferred winter gear and enjoy every second of it! Cross-country skiing and snowshoeing are popular activities along our many area trails. There are over 41 kilometres of track-set trails and over 98 kilometres of adjacent non-track-set trails at Larch Hills north-west of Enderby. This winter wonderland also includes a variety of marked snow-shoe trails, a heated chalet, and lots of Larch Hills Nordic Society members ready to point out the best trails.

KINGFISHER INTERPRETIVE CENTRE

Explore the snow covered beauty of rural Enderby with a day of snowshoeing at the Kingfisher Interpretive Centre.

HUNTERS RANGE

Carve it up this winter on the rolling hills of Hunter Range where snowmobilers of all abilities will find spectacular riding terrain. Go steep and deep on challenging hills and bowls, while enjoying some of the driest powder you can find! The Hunters Range Snowmobile Association maintains over 90 kilometres of groomed trails and several chalets where sledders can warm up for the next run. The 300 member group hosts several events throughout the season including the Poker Rally in January and a ladies ride in March. The group monitors access points to Hunters Range and charges a fee to non-members.
