PORTFOLIO REPORTS

Councillor Baird

- Met with Braden Kiefiuk who is working on the metal pier lighting for the Cliff Avenue upgrade. They are looking really good. Lighting the tops of the buildings would be a good idea. Perhaps the City could own the lights and get permission from the owners to hang them. This would ensure that they were properly maintained and had a consistent look.
- Colour palettes have been selected to encourage businesses to re-paint their buildings. Discounted pricing may be offered through Central Hardware.

Councillor Davyduke

- Attended workshops at the Food Bank Conference. Lots of ideas shared for fundraising etc. Networking was very valuable.
- Interagency meeting – First West Credit Union Foundation does lots of things for the community. Ideas will be presented to them for possible support.
- Attended the Purina Guide Dog Walk. It takes \$25,000 to train one dog for service. Sunday's walk raised \$5,000.
- Attended Blackway movie premiere. Food Bank donations and 50/50 money was collected. It was exciting to be part of the event.
