

## **Utility Worker**

The City of Enderby is seeking a Utility Worker to join its Public Works team. This job will involve general duties as well as operating the community water and wastewater systems.

The successful candidate will have completed Grade 12 or equivalent, ideally have obtained an EOCP Level I certification in at least one of the four fields of practice, and have relevant field experience and training. A valid Class 5 BC Driver's License with air endorsement is required. Confined Space Awareness, Chlorine Handling, and Level 1 First Aid would also be beneficial.

The ability to operate heavy equipment and work safely and cooperatively, with others and around the public, is required. The ability to perform physical labour, including lifting, shovelling and climbing, is required. The successful candidate will possess strong critical and analytical thinking abilities, strong organizational and multi-tasking skills, and strong written and verbal communication skills. Related public works experience and computer skills would be an asset.

As this position will have on-call duties on a rotational basis after approximately three months of service, the successful candidate must live near to the community to fulfill those responsibilities. After the training period has been completed, weekend shifts may be required. As part of departmental integration, this position may also be cross-trained on and work as part of the Parks and Recreation Department as needed.

The wage rate starts at \$26.47 plus certification premiums and benefits, with opportunities for growth commensurate with training and experience.

This posting closes at 4:30pm on October 11, 2016. Interested applicants should include a complete resume and covering letter. All applications should be submitted as follows:

City of Enderby  
P.O. Box 400, 619 Cliff Avenue  
Enderby, BC V0E 1V0  
Attn. Utility Worker Posting
