PORTFOLIO REPORTS

Councillor Baird

- Canada Day was a lot of work, but everything went well. A wrap-up meeting will take place to get feedback.

- There was a good turnout to the Interagency meeting. It was a round-table event rather than with guest speakers.
- Councillors were encouraged to check out all the awesome events that are being offered at the Enderby Library.
- Canada Day went off very well despite the rain.
- FACT – Harvest Hut is getting moved and power will be connected.

Councillor Shishido

 - Public Art – flower mural
 - Arts Festival – cost savings by sharing advertising with other groups
 - A number of bands have been lined up for the extra stage at the festival.
 - BC Arts Council has responded to reduced grant funding by suggesting that the Arts Council try to generate more funds from their events. The group is concerned, as they want to ensure that their events are available for everyone to enjoy.

Councillor Davyduke

- Kudos to Councillor Baird for taking the lead on Canada Day.
- Red Apple re-opening was well attended.
- Funtastic went well.
- Spray Park is proving very popular. Lots of positive feedback has been received.

Councillor Case

- Funtastic:
 - It was challenging due to all the rain, but every game got played.
 - Large mats were used to cover home plate area which protected the field from a muddy mess. They were effective. Still working on how to place long-term as they are time-consuming to take in and out.

Mayor McCune

Sicamous recently hosted the provincial softball tournament. Due to our central location, Enderby is a promising candidate to host the event. A letter of congratulations will be sent to Sicamous and copied to SoftballBC, congratulating them for hosting a successful event.

ADJOURNMENT
