Totes consist of a box, crate or other sturdy container. For homes, your tote can be left in socially distant spot at the edge of your driveway or yard (please keep public walkways clear). Ensure that, if your tote is outside for voting hours, it can be taken inside in the evening (you don't want to lose your votes, do you?)

Feel free to decorate your tote as well, or incorporate it into the display.

Please return your form to the envelope marked "SCARECROWS ON THE STREET ENTRY" at the Enderby & District Chamber of Commerce building, or fill out and return it online by emailing it (or a photo of it) to [info@enderbychamber.com](mailto:info@enderbychamber.com)

Thanks for participating, and Happy Autumn!
