

# Celebrate Autumn in Enderby with Scarecrows on the Street

brought to you by

Enter your home and/ or business in the  
Scarecrows on the Street Decorating Challenge!

## Proceeds of Voting Go to F.E.D (Feed Enderby & District)

All businesses, organizations and homes are invited to participate! Display, window or property decorations should fit into a harvest theme and must include at least one handmade scarecrow – no size limitation.

Get your autumn scene set for October Fifth, when voting begins! Judging will be "People's Choice". Residents and visitors will pick up a map at the Enderby Chamber of Commerce building or on our website at [www.enderbychamber.com/scarecrow-map/](http://www.enderbychamber.com/scarecrow-map/) beginning October Sixth.

Tour at your own pace all the participating locations, then vote by depositing a non-perishable food item in the tote located beside their favourite scarecrow. All 'votes' must be in the donation totes by October Twenty-third at Four pm. Winners will be notified October Twenty-Sixth once we have tabulated the results.

After October Twenty-third, feel free to add some "Hallowe'en" props to your display in preparation for Hallowe'en October Thirty-First, no matter what socially distant form it may take!

Fill in the form below and return to the Enderby Chamber of Commerce by Friday Sept. twenty-eighth to be included on the "Scarecrows on the Street" map and receive an official "donation tote". The map will be available online beginning October Sixth; participating businesses will also have maps – just let us know how many you would like.

Winner of the People's Choice Business will win complimentary advertising posts throughout November (max six posts) from the Enderby Chamber, as well as an Autumn-themed Member Spotlight! There will be **Three winners** for the home contest, prizes in Enderbucks courtesy of the City of Enderby.

**1st Prize \$60**

**2nd Prize \$30**

**3rd Prize \$15**
