### **PORTFOLIO REPORTS**

#### Councillor Schreiner

Expressed appreciation to Staff for attending the Regional Housing Round Table meeting. Staff have received the summary of the Regional Housing Strategy and are working on the development of a draft local housing strategy that would compliment the regional strategy.

#### Councillor Knust

Cathy Peters attended an Interagency Meeting to present on Human Sex Trafficking, Sexual Exploitation and Child Sex Trafficking in BC. There were 17 participants.

Enderby Vaccination Clinic is now located back at the Seniors Complex, Monday to Friday, 9:30 am – 3:30 pm.

Councillor Knust discussed further the concern that she raised at the previous meeting about the number of seacans in Enderby. Staff is preparing a discussion memorandum on this matter, which will go before Council soon.

Councillor Davyduke

The Enderby and District Library summer reading program is being well received. Noted that the Staff at the Library are doing an amazing job.

Community Futures and WorkBC are in discussions regarding the North Okanagan Job Fair for 2021.

Councillor Case

Participated in the Self-Guided Community Clean-Up. There did not seem to be a lot of garbage downtown.

Councillor Baird

Looking at more locations for public art installations. Breezeway pergola needs to be refurbished as this is looking weathered. This was installed by the Arts Council. It was last repainted when the Library building was painted. The Cliff Crunch App is getting close to being finalized.

Vantage One Credit union donated funds to the Okanagan Regional Library that is being used towards S.T.E.M. Programming. ParticipACTION begins June 2021.

A downtown business owner asked Councillor Baird about the possibility of the Farmers Market extending its hours to 1:00 pm. The Chief Administrative Officer stated that this would be possible subject to business engagement and support from the organizer.

Mayor McCune

Asked whether the interagency group could get clarification from the RCMP around their protocols for how to handle persons who may need mental health supports. Questioned whether a Job Fair is necessary at this time, as the main issue did not seem to be one of connecting employers with employees, but rather finding people who were seeking work.

**ADJOURNMENT**

*“That the June 7, 2021 Committee of the Whole meeting adjourn at 4:24 p.m.”*
