Councillor Knust asked about the budget for Christmas for the upcoming season. The Chief Administrative Officer discussed the outcomes from budget deliberations, where allocations from the community enhancement fund to different projects had intentionally been left open by Council, to provide flexibility. Christmas funds would come from this amount, with the budget

determined by Council. At that same budget meeting, Councillor Baird was to obtain a quote for lighting.

Councillor Knust also raised concerns about the gravel boulevard on the west end of Cliff Avenue, which she did not feel is attractive.
