### **DELEGATIONS**

Victor Cumming, Mayor of Vernon and Doug Ross, Director of Recreation Services Vernon – Proposed Active Living Centre in Vernon on the Kin Race Track Park Site

Mayor Cumming and Mr. Ross gave a presentation on the proposed Active Living Centre in Vernon and asked Council if they would like the City of Enderby to participate in the project, either by participating in a referendum in October or joining after the referendum through a fee-for-service agreement.

Councillor Schreiner pointed out that only 2% of users of the current facility are from households in Enderby. Asked what the cost to the community would be to participate in the new facility.

Mr. Ross explained that these costs are still yet to be determined and that if other surrounding communities would like to be involved there may be a Regional District wide referendum where all communities in the RDNO vote as one area. Mr. Ross further explained that in this case, the City of Vernon would act as the operator of the facility, and borrowing would be done through the RDNO.

Councillor Baird asked if the presenters had any knowledge of a new aquatic facility being built in Salmon Arm.

Mr. Ross stated that he had no knowledge of this.

Councillor Schreiner asked what would be done with the current facility.

Mr. Ross responded that the current aquatic centre would be decommissioned but that the rest of the recreation facility would remain intact and would continue to be used by the public.

**ADJOURNMENT**

Moved by Councillor Shishido, seconded by Councillor Schreiner  
*“That the Committee of the Whole rises and reports to council.”*
