Frontline Policing and the Toxic Drug Crisis Response

Sgt. Vestergaard explained that, when decriminalized illegal drugs are being used in public, the police can no longer engage with the person using unless they are causing a disturbance. Police may distribute cards that have contact information for addiction resources. They also carry naloxone kits to hand out and may share a video on how to use the kit. Police can refer a person to the Public Health Nurse for assistance.

Councillor Ramey asked if there has been any positive outcome from the decriminalization.

Sgt. Vestergaard responded that decriminalization does not appear to be changing the circumstances of the toxic drug crisis.

Councillor Shishido asked if drugs distributed by the province are being sold illegally.

Sgt. Vestergaard responded that the RCMP is not able to seize drugs unless the person is carrying over 2.5 grams. Noted that there is still a large problem with drugs coming from illegal suppliers that contains fentanyl.

Councillor Shishido asked about the Province's attempt to limit use around playgrounds.

Chief Administrative Officer explained that the Province has attempted to limit the use of illegal drugs within a certain distance of playgrounds and other areas that are likely to have children present. An advocacy group has taken the Province to court over this regulation and an injunction blocking the Province's legislation was issued until the matter is decided by the courts.

Council asked Sgt. Vestergaard about her time in Enderby and how things are going so far.

Sgt. Vestergaard responded that things are going well so far and that she plans to do more foot patrols as the weather improves to become more familiar with the community.

Chief Administrative Officer asked how 24-hour policing is going.

Sgt. Vestergaard responded that the 24-hour policing model works well. Explained that before this came into effect, there were members on call. The 24-hour policing model works well for both the community and the RCMP members.

Council thanked Sgt. Vestergaard for her time.

Moved by Councillor Davyduke, seconded by Councillor Yerhoff "THAT Council receives and files the memorandum titled "Frontline Policing and the Toxic Drug Crisis Response," dated February 8, 2024"

# **<u>Re: Financial Contribution to EDAC from the City of Enderby</u>**

The Enderby and District Arts Council continues to grow and increase its contribution to the people of Enderby and area. As you will see in our report we had over 7,700 daily visitors to the Art Centre and the Courtyard Gallery and over 600 people using the Art Centre facilities after hours. Add to this the financial return to local artists and the many events and art projects we have been able to achieve, the importance of the Arts Council to the community is self evident.

We are asking Council to approve a request in the amount of \$4,000 to help with our operating costs. We also remind Council that financial support from the City is a requirement to receiving funding from the BC Arts Council.

Thank you for your support in this matter.

# THE ENDERBY AND DISTRICT ARTS COUNCIL

# **2023 YEAR END REPORT**

This past year (2023) has been challenging due to a faltering economy that has led to rising costs and a decrease in revenue of art sales. However, EDAC continues to meet our mission statement with the help of sponsorships, donations, revenue from workshops, sales and user fees for the rooms at the Enderby Arts Centre and vendor dues.

"To initiate, encourage, co-ordinate and support the development of artistic projects and activities in Enderby & District for the benefit of the public, and to provide opportunities for the community to be educated in the work of artists in our community, and to bring to the attention of the municipal and provincial agencies the cultural needs of our community.

Our volunteer arts council strives to support a culturally rich community in which the arts can develop and flourish".

# THE ENDERBY ARTS CENTRE

The Enderby Arts Centre continues to be the "hub" for the art community in Enderby. Even though we have only been at this location (617 Cliff Avenue) for 2.5 years we are growing with more art related programs, art exhibitions, users and visitors. This past year we had 5050 people visit The Enderby Artisans Emporium plus an additional 647 people who used the facilities after hours through workshops, meetings, art drop-in and lectures. The Enderby Arts Centre is open from Tuesday - Saturday, 10:00 am - 4:00 pm and is manned by our friendly volunteers.

**The Enderby Artisans Emporium** sales totalled \$32,815.00 with \$25,321.00 being paid out to the local vendors who participate at this location. We support local artisans, artists and crafters and we average 32 vendors. We have eight committed volunteers who host at the Enderby Arts Centre.

**The Exhibition Hall** is a multi-purpose room and provides a venue for a wide range of events and activities. The past year (2023) this room was used for:

- \* Eight Art Exhibitions
- \* Fourteen Sing-A-Longs for Seniors led by William Brockfield and Penny Locheed.
- \* Enderby Strummers who meet weekly on Wednesday from 1:00 pm 3:00 pm.

\* Monthly meetings for the leaders of the North Okanagan for Narcotics Anonomys.

\* In September we hosted the Splatsin Exhibition "Sharing Our World", organized by Gloria Morgan, that included lectures on Hunting and Fishing, Splatsin Story Telling, Language Bingo and ribbon skirts and Pictograph Art for youth.

The Workshop/Classroom is increasing it's user base through art with the folowing:

\* Sunday afternoon Art Drop-In from 1:00 pm - 4:00 pm.

- \* YAP (Youth Art Program) through the Community Resource Centre (Thursday afternoons).
- \* Art Therapy (Tuesday mornings).

\* Home School program.

# THE COURTYARD GALLERY

The Courtyard Gallery (located at 907 Belvedere) is a committee under the umbrella of the Enderby and District Arts Council offering fine art and crafts. In 2023 the gallery welcomed 2,702 visitors with sales of \$28,553.00 paying out \$22,526.00 to participating artists and artisans. This year they:

\* Celebrated their "10 Year Anniversary" in April with an Open House.

\* Two Open Exhibitions (February and October) giving both experienced and emerging artists an opportuning to display and sell their work.

\* Guest Artists as well as Featured Artists of the month.

# **PERFORMING ARTS**

In 2023 we expanded the Performing Arts program marking a significant phase of our post COVID recovery with the:

\* Monthly Coffee House Open Mic held at the Enderby Seniors Centre on the third Friday evening of each month (excluding July, August and December). The February opening attracted over 70 people plus musicians and has continued to be popular with the local community due to the location, cost of entry (\$4.00), and performer talent.

\* "Summer of Art", street music series in corporation with the Friday Farmer's Market with eight performance in July and August.

- \* "Music by the River" with two concerts by the "Salmon Armenians" and "Mazazul".
- \* Easter Sunday Celebration with Kiki the Eco Elf.
- \* Christmas Show in December with Tanya Lipscomb.

# **PUBLIC ART**

The public art project for 2023 was by muralist, Peter Allen, who showcased the front of the Enderby Arts Centre featuring the Enderby Cliffs. Together with the popular Bottle Cap Mural, and the "Salmon Coming Home" sculpture next door at City Hall we continue to enhance our community through art.

# **COMMUNITY ENGAGEMENT**

It is only possible to fulfill our mandate with ongoing community engagements.

- \* Rivertalk, our website, Facebook, Instagram, posters and regular emails to our membership.
- \* Enderby City Council provides a liason to attend our monthly Board Meetings.
- \* Work with the City Events Planner in order that we contribute to and participate events .
- \* Working with the Community Resource Centre offering a safe non-judgemental space for the teen program.
- \* Support the childrens "Art In the Park" program through the Community Resource Centre.
- \* Enderby Library with Evan the Juggler presenting a juggling workshop.

\* Financial assistance to AL Fortune (bursary and donation to the music program), MacKenzie Camp, Grindrod Players, Grindrod Garic Festival, Enderby Strummers, Enderby Cliff Notes, and the Splatsin summer art program.

# GOVERNANCE

Our volunteer board meets monthly (the third Wednesday evening of each month) except August and December. We currently have seven members on the board and we welcome more people to join. Interested parties should be willing to sit on a committee, support and promote the arts, devote time and effort to ensure a healthy and non-judgemental atmosphere for artists and bring a positive voice to the community.

# LOOKING TO THE FUTURE

This year (2024) we will meet the economic challenges with sales at the Enderby Artisans Emporium and the Courtyard Gallery, continual fundraiser with books and art sales by donated items from the community, the Coffee House Open Mic, increase rental of The Exhibition Hall and Workshop space at the Enderby Arts Centre and financial support through the private and public sector.

# RECOMMENDATION

THAT Council provides a grant to the Enderby & District Museum Society for \$3,000, funded through the Community Enhancement Fund, towards the costs for refurbishing Enderby's first fire apparatus.

# ALTERNATE RECOMMENDATION (FENCING CONTRIBUTION)

THAT Council provides a grant to the Enderby & District Museum Society for \$1,700, funded through the Community Enhancement Fund, towards the costs for extending the fence enclosure at the Muzebo in Barnes Park.

# BACKGROUND

The Enderby & District Museum Society has submitted a letter (attached) requesting that Council consider providing a grant to fund either the remainder of the refurbishing costs for Enderby's first fire apparatus (valued at \$3,000) or the costs for extending the fence enclosure at the Muzebo in Barnes Park (valued at \$1,700).

Considerable effort has been made by the Museum and numerous community members to restore Enderby's first fire apparatus. On February 5, 2024, the Enderby & District Services Commission approved the extension of the Muzebo enclosure to create additional space for the display of the fire apparatus.

The Community Enhancement Fund is funded through the City's non-tax revenue sources -Riverside RV Park profits and Telus telecommunications tower lease fees - and supports oneoff or first-time initiatives and projects.

Respectfully submitted,

Tate Bengtson

Dear Enderby City Council,

I am writing to update you on progress of the restoration of Enderby's first fire truck, a project commenced in 2021 and nearing completion, and to make a request.

The vehicle is a 1930 Chevy Maple Leaf truck that was converted into a fire truck in 1939. The city contracted out some of the work while local mechanic, Bill Morris, did much of the work on a volunteer basis. Continuing with that theme, the bodyman who undertook this restoration volunteered his time for the project. The museum provided a small honorarium to cover some of the costs for materials while the labour was provided at no cost. Other businesses, including Williamson Automotive and CNC Manutech, have donated time, labour and materials to the project. While some work remains to be done this spring – more mechanical, replacement of some wood, pinstriping, adding metal piping for rails and the replacement of some equipment – much of the project is complete. A fundraising campaign to cover the cost was undertaken, with about \$12,000 of the \$15,000 goal attained.

The restored fire truck made an appearance at the Aug. 19 Friday Night Lights before being returned to its spot in the Museum in the Park. Work to reconfigure the gazebo at Barnes Park to make a pleasing display of the artifacts contained in the space was somewhat successful. The museum recently obtained permission from the Enderby Area F Services Commission to extend fencing on the gazebo at the north end. This will provide more room to house the fire truck and create a more dynamic display. The truck will be more visible to the public and easier to take in and out of the gazebo for events.

I contacted Rite-Way Fencing Inc., who provided the original fencing, about the cost of expanding the fencing on the gazebo. The cost estimate for the materials is just over \$1,600 (see attached), which does not include fasteners. As the city has not yet contributed to the fire truck restoration project, we are asking that you aid with this extra cost to extend the gazebo.

Sincerely,

Jackie Pearase, administrator On behalf of the Enderby & District Museum Society Board of Directors

#### RECOMMENDATION

THAT Council endorses Saturday April 26, 2024 as the date for the Annual Our Enderby Clean-Up Challenge.

#### BACKGROUND

Since 2013, the City of Enderby has been hosting the annual Our Enderby Clean-Up Challenge which is a community event aimed at reducing local pollution, beautifying the community, and fostering a sense of community and civic pride. The clean-up event is followed by an appreciation barbecue in the City Hall parking lot, hosted by the Enderby & District Lions Club, where food and refreshments are provided to clean-up participants to celebrate their community contribution; in recent years, the Lions Club has also scheduled their annual paper shredding event to coincide with the Clean-Up.

The event has historically been held on a Saturday in late April. Staff are recommending that Council endorses Saturday April 26, 2024 as the date for this year's Clean-Up event. Once Council has endorsed a preferred date, the Lions Club will be contacted to confirm their availability for the event.

Subject: Enderby Farmers Market – Road Closure Application for 2024 Market Season

# RECOMMENDATION

THAT Council approves the Road Closure Application from the Enderby Farmers Market for the closure of Cliff Avenue from Highway 97A to Vernon Street, and Belvedere Street from Cliff Avenue to Speers Lane, every Friday from April 12, 2024 to November 15, 2024 between 6:00 am – 2:30 pm, with the approval being subject to the following conditions:

- The road closure shall be in general accordance with the Road Closure Application attached to this memorandum as Schedule 'A';
- 2. The road closure cannot begin until snow clearing along Cliff Avenue is complete, and in cases where the road closure is delayed due to snow clearing occurring, the Market organizers shall take the necessary steps to ensure that vendors are not staging downtown in a manner that negatively impacts other snow clearing operations or the regular flow of traffic;
- 3. The Market shall be responsible for setting up and removing traffic control devices, emptying municipal garbage receptacles, and immediately cleaning up any litter from the road closure area;
- 4. The Market shall ensure that porta-potties are properly maintained and are removed at the end of each market event;
- 5. The Market shall ensure that the road closure area is re-opened to traffic no later than the end time noted in the application;
- 6. The Market shall provide proof of Comprehensive Public Liability and Property Damage Insurance for \$2,000,000 inclusive, with the City of Enderby as additional insured, which shall include, i) a cross liability clause, ii) a waiver of subrogation clause, and iii) a requirement that the policy cannot be cancelled, lapsed or materially changed without at least thirty (30) days written notice to the City of Enderby, delivered to the Corporate Officer; and
- 7. The Market Board shall pass a resolution to:
  - a. confirm that the City of Enderby is indemnified, saved harmless, and released in all respects arising from the proposed road closure and use of the adjacent sidewalks and walkways, including legal fees;
  - b. expressly acknowledge the risks associated with the proposed road closure and that they have sought independent advice on this matter, prior to considering this resolution;
  - c. acknowledge that they are responsible for any additional snow and ice clearing that exceeds the City's *Snow and Ice Control Policy*; and

d. confirm that when a road closure is delayed due to snow clearing occurring, the Market will take the necessary steps to ensure that vendors are not staging downtown in a manner that negatively impacts other snow clearing operations or the regular flow of traffic.

# BACKGROUND

The Enderby Farmers Market has submitted a Road Closure Application for the 2024 market season, with the application requesting to close Cliff Avenue from Highway 97A to Vernon Street, and Belvedere Street from Cliff Avenue to Speers Lane, every Friday from April 12, 2024 to November 15, 2024 between 6:00 am – 2:30 pm. There have been no proposed changes to the layout of the market event, as shown on the attached Schedule 'A'.

In March of 2023, Enderby City Council approved a Road Closure Application from the Market to close portions of Cliff Avenue and Belvedere Street every Friday from 6:00 am – 2:30 pm between April 14, 2023 and October 20, 2023, subject to a number of conditions. The Enderby Farmers Market then submitted an additional Road Closure Application seeking to extend the road closure approval for an additional four weeks, under a reduced footprint, which was also approved. It should be noted that as part of the Petition of Affected Business Owners that was required to be circulated to all affected businesses within a one-block radius as part of the Road Closure extension application, it was observed that there was an increase in downtown businesses that were opposed to the road closure as compared to previous years. Although the Market is no longer considered a first-time event under the City's *Temporary Road Closures for Community Events Policy* (see attached), and Staff therefore have the delegated authority under the Policy to approve the Road Closure Application administratively, Staff are advancing the application to Council for consideration given that there has been an increase in downtown business opposition as compared to previous years.

It should be noted that following the 2023 season, the Market engaged with downtown businesses who had communicated concerns as part of the petition, in order to identify mitigation steps and areas for collaboration. In prior years, the weekly market events have generally been well received by the community and no major logistical concerns have been observed by Staff.

It is recommended that Council support the Enderby Farmers Market's Road Closure Application for the 2024 season, subject to the same conditions as previous seasons, including:

- 1. The road closure shall be in general accordance with the Road Closure Application attached to this memorandum as Schedule 'A';
- 2. The road closures cannot begin until snow clearing along Cliff Avenue is complete, and in cases where the road closure is delayed due to snow clearing occurring, the Market organizers shall take the necessary steps to ensure that vendors are not staging downtown in a manner that negatively impacts other snow clearing operations or the regular flow of traffic;
- 3. The Market shall be responsible for setting up and removing traffic control devices, emptying municipal garbage receptacles, and immediately cleaning up any litter from the road closure area;
- 4. The Market shall ensure that porta-potties are properly maintained and are removed at the end of each market event;
- 5. The Market shall ensure that the road closure area is re-opened to traffic no later than the end time noted in the application;

- 6. The Market shall provide proof of Comprehensive Public Liability and Property Damage Insurance for \$2,000,000 inclusive, with the City of Enderby as additional insured, which shall include, i) a cross liability clause, ii) a waiver of subrogation clause, and iii) a requirement that the policy cannot be cancelled, lapsed or materially changed without at least thirty (30) days written notice to the City of Enderby, delivered to the Corporate Officer; and
- 7. The Market Board shall pass a resolution to:
  - confirm that the City of Enderby is indemnified, saved harmless, and released in all respects arising from the proposed road closure and use of the adjacent sidewalks and walkways, including legal fees;
  - b. expressly acknowledge the risks associated with the proposed road closure and that they have sought independent advice on this matter, prior to considering this resolution;
  - c. acknowledge that they are responsible for any additional snow and ice clearing that exceeds the City's *Snow and Ice Control Policy*; and
  - d. confirm that when a road closure is delayed due to snow clearing occurring, the Market will take the necessary steps to ensure that vendors are not staging downtown in a manner that negatively impacts other snow clearing operations or the regular flow of traffic.

Given the potential for snow fall during the early and late portions of the market season, conditions #2 and #7 are critical to ensuring that the event is not negatively impacting snow clearing activities within the downtown, nor resulting in the City accepting any additional liability associated with the event as it extends into winter.

Kurt Inglis Planner

Temporary Road Closures for Community Events

#### **PURPOSE:**

Policy Title

The City will consider approving the temporary closure of municipal roads for a community event.

#### POLICY:

Temporary road closures will only be considered for community events which are sponsored by a recognized organization.

The Chief Administrative Officer or designate is granted the authority to approve a Temporary Road Closure Permit on behalf of Council, subject to the applicant meeting all the requirements of this policy. First time events must be approved by City Council.

A completed Schedule A, "Application for Temporary Road Closure," shall be submitted to City Hall at least 21 days prior to the closure. The application must include a map of the proposed road closure and emergency access through the closure. Applications for first-time or relocated events requiring Council approval must be submitted two months prior to the closure.

The organizer shall notify and consult with business owners within a one-block radius of the proposed road closure and residents adjacent to the proposed road closure. The organizer agrees to take reasonable steps to mitigate disruption for affected business owners and residents. Failure to adequately notify and consult affected businesses and residents may result in revocation of permit or refusal of future applications. Unless exempted by Council, all first-time or relocated event applications must include a petition signed by a majority of affected business owners agreeing to the proposed event.

The applicant for a Temporary Road Closure must submit proof of public liability and property damage insurance in a form acceptable to the City. The applicant may request that insurance requirements be waived based on the risk profile of the event. Such waiver does not affect any other responsibility of the applicant to obtain insurance.

The applicant shall be responsible for all traffic management, including the provision, set up, and removal of signs and barricades on the same day as the road closure.

The applicant shall be responsible for ensuring that all food service establishments, including but not limited to mobile vending units, food services at temporary events, and sellers of home-prepared foods, shall have the appropriate authorization or permit from Interior Health.

The applicant shall be responsible for emptying municipal garbage receptacles and cleaning up litter from the road closure area on the same day as the closure.

As a condition of permit, the City of Enderby will not be liable or otherwise responsible for any scheduling conflict, revocation, refusal, maintenance closure or other damage or harm related to the issuance of this permit.
